11. Vulcan Park Three Year Plan

To consider the priorities for the next three years of managing Vulcan Park.

12. Play Area Development

To receive a brief update on current projects and issues and to make any necessary decisions.

Background

The Committee is asked to consider plans for the installation of goalposts and toddler swings in Moorclose (see Appendix), and to consider what further action could be taken to support children's play facilities at Grasmere Avenue in Moorclose, and at Hillcrest, Northside. These are both run-down play areas owned by Castles and Coasts Housing Association. Further costs for these will be provided before the meeting.

13. Additional Street Cleaning

To consider proposals to improve visible street cleaning in Harrington.

Background

The Chair has asked that consideration be given to investing further resource into the street cleaning programme in Harrington, in particular. This service is currently supplied by Allerdale Borough Council through its street cleaning contractor Tivoli. Further costings should be available for this in the week of the meeting.
