FG26.20 Budget Monitoring

a) **Resolved:** Committee approved the bank reconciliation and statements of accounts for May 2026.

b) **Resolved:** Committee noted the budget monitoring report YTD.

FG26.21 Vulcan Park Café Site

During discussions comment was made that for future works the council should have a list of suppliers they can refer to as a base for obtaining quotes.

Resolved: Committee resolved to recommend to Full Council to carry out the works as detailed in the report at a cost of £11,250 from the Asset Management budget line.

Resolved: Officers to begin work on compiling a supplier list to assist in the quotation process for future works

FG26.22 Assets

While it was agreed to propose to council to acquire the new equipment in the report, during discussions it was raised that council should be looking at purchasing electric equipment in line with the council's environmental commitments.

Resolved: Committee resolved to recommend to Full Council to purchase a stand-on mower, with officers to provide additional quotes for both petrol and electric options for council to consider.

FG26.23 Stripe Payments

Resolved: Officers to collect the necessary information and submit to Stripe to verify the council's account.

PART TWO – CONFIDENTIAL

Items discussed in part two are confidential and should not be discussed or shared with anyone outside of Workington Town Council.

Section 3 - External Auditor Report and Certificate 2025/26

In respect of **Workington Town Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2025/26

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

On the initial submission of Section 2 of the Annual Governance and Accountability Return there was a typographical error contained within box 9 for the comparative year (figure should have read £1,134,927 but it read £1,137,796). This was later corrected, resubmitted, and correctly republished on the council's website, we have no further concerns in this area. When inputting the comparative numbers for the return, care should be taken to ensure this agrees to the prior year's audited return accurately.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026.

FINANCE & GENERAL PURPOSE	Agenda Item 11
Meeting date: 28 th September 2026	
From: Deputy Proper Officer	
Title: Civility and Respect Pledge	

1. RECOMMENDATIONS

To recommend that council sign up to the Civility & Respect Pledge.

2. DETAIL

The council have been contacted by CALC as part of their ongoing Civility & Respect programme to encourage more local councils to sign up to the Civility & Respect Pledge.

By signing the Pledge, the council is agreeing that they will treat councillors, clerks, employees, members of the public, and representatives of partner organisations and volunteers with civility and respect in their roles and that it:

- Has put in place a training programme for councillors and staff
- Has signed up to the Code of Conduct for councillors
- Has good governance arrangements in place including staff contracts and a dignity at work policy
- Will seek professional help at the early stages should civility and respect issues arise
- Will commit to calling out bullying and harassment if and when it happens
- Will continue to learn from best practices in the sector and aspire to be a role model/champion council through, for example, the Local Council Award Scheme

- Supports the continued lobbying for change in legislation to support the Civility and Respect Pledge including sanctions for elected members where appropriate

3. BUDGET IMPLICATIONS

None at this time.

FINANCE & GENERAL PURPOSES	Agenda Item 12
Meeting date: 28 th September 2026	
From: Deputy Proper Officer	
Title: Polling District and Polling Place Review	

1. RECOMMENDATIONS

Deputy Proper Officer to contact councillors and collate any responses to submit to Cumberland Council via the online portal.

2. DETAIL

Cumberland Council are carrying out an interim review of polling districts, polling places and polling stations across the whole authority. This interim review is being undertaken to reflect changes arising from the recent boundary review, as well as to consider polling stations that are no longer available or suitable.

The review affects all Cumberland wards, although in some areas the changes are minor, such as updates to polling district codes. In other areas, there are proposed changes to polling district boundaries, polling places or polling station venues.

A set of Cumberlands proposals and a map of the current polling places are included with this report.

Closing date for responses is Friday 2nd October 2026.

3. BUDGET IMPLICATIONS

None at this time.

Interim Polling District and Polling Place Review 2026

(Acting) Returning Officer proposals

Background

Within each local authority area, legislation requires councils to carry out reviews of the Polling Districts and Polling Places in that area. Cumberland Council area is divided into polling districts, with one or more polling districts making up a Ward, and with a polling place being an area or building within a polling district in which a polling station is situated.

The last full statutory review was held in 2024. The Electoral Registration & Administration Act 2013 governs the timings of compulsory reviews. The next compulsory review is due to commence in the 16-month period beginning on 1 October 2028. A council can conduct a review at any time, but it will still have to conduct a full review during the compulsory timeframe.

This is an interim review taking into consideration the Final Recommendations from the Local Government Boundary Commission following their review of Cumberland. It is also reviewing the designated polling stations where the existing venue is no longer available or suitable to act as a polling station.

This review effects all Wards in Cumberland, which will increase from 46 to 55 wards from May 2027. As a result of the increase, there are significant changes in some areas, whilst other areas may only see minor changes proposed to polling district codes.

This document has been distributed to local community groups, action groups, disability groups, charities, political parties, ward Councillors and Parish Councils. The (Acting) Returning Officer has also been consulted and has given his recommendations.

The initial proposals within this document will be consulted on, and comments received will be considered, before final recommendations are made. This process will lead to the publishing of the revised Register of Electors planned for 1 December 2026.
