

# Her Majesty The Queen, Queen Elizabeth II

Our Queen,

I am deeply saddened to hear of Her Majesty The Queen's passing.

A queen who has devoted her life to serving her people and her country. Only in June, I made a speech at our beacon lighting to commemorate Her Majesty's 70 years on the throne and said then what a beacon of light she was to us all.

I send my deepest personal condolences, those of Workington Town Council and of the people of Workington to the Royal Family.

The flag at the Workington Town Council offices is now being flown at half-mast and a book of condolence will shortly be available at The Carnegie Theatre and Arts Centre.

Mayor of Workington
